

#### THANK YOU!

A huge thank you to all the teams that entered the Engineers in Business Champion of Champions Final. The entries are outstanding - the judges have their work cut out selecting the finalists! This newsletter gives you information on what happens now. We hope you find it helpful, but if you have any questions, do get in touch.

#### NOTIFICATION OF THE JUDGING RESULTS

Whether you are selected as a finalist for the Awards Presentation or not you will receive a personalised email from the EIBF office. This will arrive with you no later than 20 September 2021. The judges' decision on the selection of finalists is confidential and final. We do not provide feedback critique on entries and no correspondence will be entered into on the selection process.

#### FINALISTS COACHING EVENT - 24 SEPTEMBER 2021

All finalists are expected to attend the Finalists Coaching & Photography day on 24 September 2021 which is being hosted at the Royal Academy of Engineering in London. Five teams will attend in the morning and five teams in the afternoon. Full details of the event will be set out in the letter to finalists - this will explain the agenda for each session and the information we need from you.

#### FINALISTS FEATURED ON THE EIBC WEBSITE

Shortly after all entrants have received notification of the results of the judging, the finalists' entry videos will be published on the EIBC website. We will then open up public voting.

#### THE ENTRIES

We have been asked about the number of entries - here are the innovations that entered the Champion of Champions Final:
